Welcome to our Autumn 2025 Newsletter

I hope those of you who joined us for our AGM in September enjoyed the evening. The Annual Report is now available on our website.

As the year winds down, this season can feel both joyful and overwhelming - especially when caring for someone. With Christmas approaching, remember to take time for yourself. Rest isn't a luxury; it's essential for carers who give so much.

This newsletter covers everything happening from October to December, including workshops, support groups and seasonal activities. I hope you enjoy the read and find an activity to get involved with. Don't forget to 'save the date' LOVE January festival in 2026.

Sharron Smith, CEO.

Extra Discharge Support Service

If the person you care for is in hospital, remember that Bev is here to offer support and guidance.

Meet Bev Knights, Outreach Adviser at York Hospital

Hi - I'm Bev, an Outreach Adviser based at York Hospital, supporting unpaid carers of patients during their hospital stay and, in the weeks, following discharge.

I help unpaid carers navigate the discharge process, speak with professionals, and understand available health and social care support. I offer advice on local services, carers' rights, and benefits, and help connect carers to the support they need. I stay in touch after discharge to ensure ongoing help is in place.

I've drawn on my own experience of caring for both parents with dementia - including managing hospital stays and post-discharge care. I understand how overwhelming this time can be and feel privileged to support carers through it.

To contact Bev, please call 01904 715 490 and our reception team will arrange for Bev to give you a call back.

Alternatively, you can email carersoutreach@yorkcarerscentre.co.uk
