Carers Discount Card

In partnership with local businesses, we are proud to offer unpaid carers a range of exclusive offers and discounts.

How to use your Carers Discount Card

All you need to do is to sign the back of the card which you will find attached, and you can begin to use it at any of the businesses listed in this directory. You will need to show the retailer your card, so do remember to always have it with you.

All the discounts are accurate at the time of going to print. We review these annually and will let you know about any changes through our ebulletins.

There is an up-to-date version of the directory on our website, or you can contact us to have one sent to you.

Need any help?

If you have any queries or decide you do not need the card or if you stop being a carer, please contact us on **01904 715 490** or email **enquiries@yorkcarerscentre.co.uk** so that we can help.

Recommend a business

Do you know a local business who would like to join our Carers Discount Card scheme? Businesses who are part of the scheme can demonstrate their support of unpaid carers in their local community, while receiving promotion of their business to our networks.

To connect us with the business, please either ask the business to contact us or supply the details yourself. We are always looking to increase our network of local businesses and offer carers more.

Large print

If you need this brochure in large print call York Carers Centre on **01904 715 490**.

Disclaimer: The publication of this text does not mean that York Carers Centre endorses or recommends these businesses.
